

Media Consent Form

This form asks if your child can be interviewed, filmed or recorded by media outlets that have been invited to the school.

The District invites media to our schools to help share stories about school events, programs, goodwill initiatives or students. When possible, the school will notify parents when media will be onsite.

Media requests are carefully considered by the Communications department and the school principal before being approved. Schools need consent from parents/guardians before allowing media to interview or take photos, video or audio of students at non-public events. This consent is only required if students could be interviewed, videotaped or photographed with their faces clearly shown.

News media reporting may include interviews with students, as well as photographs, video or audio to be shared in newspapers, magazines, radio or television programs, and online posts for websites or social media. The media coverage may be digitally manipulated, published, broadcast, re-broadcast or sold to other media outlets.
